- Promotes normal regulation of enzymes and hormones

#### What Makes this Product Unique?

Isotonic Acai is an isotonic-capable dietary supplement, made from a combination of acai berries, guarana, yerba mate', mangosteen, pomegranate, green tea and essential amino acids. The proprietary blend of Isotonic Acai works to increase energy, support immune functions, promote cognitive health and support weight control. The antioxidant properties set Isotonic Acai apart from most energy drinks on the market. Isotonic Acai will help the body stay energized and active while providing a sound antioxidant formula. Containing other antioxidant-laden ingredients like mangosteen and pomegranate, which have high ORAC values, Isotonic Acai is an asset to daily dietary supplementation.\*

#### Frequently Asked Questions:

##### Are there any contraindications for Isotonix Acai?

Yes. If you are currently taking monoamine oxidase inhibitors (MAOI) or angiotensin converting enzyme (ACE) inhibitors, you should not take this product. If you have phenylketonuria (PKU), high blood pressure, thyroid disease/Grave's Disease, schizophrenia or bipolar disorder, you should not take this product. Take this supplement separately from prescription medications. If you are taking any other prescription drugs or have an ongoing medical condition, you should consult your healthcare provider before using this product.
